CTN Quarterly Meeting		April 10, 2024
		1200 – 1300
Meeting called by	President: Wendy Erickson, Centura Trauma System Vice President: Jessica Cofran, UCHealth Treasurer: Val Peaslee, UCHealth Secretary: Steve Clayton, Swedish Medical Center	
1. Welcome and recognition	Wendy Erickson	
2. CTN Board Updates	Wendy Erickson	1) Please put your name and facility in the chat, to record attendance. If you are on the phone, email Stephen.Clayton@healthonecares.com .
3. Treasurer's Report	Val Peaslee	Invoice sent to everyone, was helpful, Type facility name on invoice. See slide for dues collected. Big expenditure, paid for Fall conference food out of this Quarter, Have been contacted by people to keep track on website who has/hasn't paid. Val requests please email her for questions. Next slide for dues. Discount for pay as system. Valorie.Peaslee@uchealth.org . Will update email May 1, new position as Foothills RETAC president. Will stay as CTN Treasurer and now have RETAC on CTN. Congratulations Val!!
4. Website and Social Media Committee	Angie Vasilatos	Microsoft details to be released by spring conference.

<p>5. Education Committee</p>	<p>Nancy Bartkowiak</p>	<p>CTN spring conference May 10. QRS code is live to Register. In person and virtual options. Anyone who wants to join education committee – looking for members.</p>
<p>6. Injury Prevention Committee</p>	<p>Melanie Wuzzardo</p>	<p>Melanie reports. See slides. Continuing STB for schools and DIA efforts. Schools working fluidly and well. Over 90 schools requested training, and all have connections to help. DIA efforts continuing. Last year more regularly, now quarterly. Going really well. Fall Prevention Mugs for Rugs 2024 taking lessons learned and move forward. From WI, when elder people bring in a run, they get a coffee mug. Resource guide still in works. More internal resource for people. When done will give preview. Search for new co chair. Melanie moving to new position at SMC. Congrats Melanie! Val requested, mugs left over from last year, please repurpose so we don't order more new mugs. And this year, include rural areas all over state, not just urban areas. This was planned by committee. Asking for more committee involvement if people want to join.</p>
<p>7. PI Committee</p>	<p>Sheri Alvarado</p>	<p>PI committee hasn't met in months. Both Robin and Sheri in survey preps. Will have something for next meeting soon.</p>
<p>8. Registry Committee</p>	<p>Stephanie Coppom</p>	<p>Had a meeting in January. Tried to submit for funds for CREATE grant, no reply yet. Spring conference, survey to be sent</p>

		out again and presented at Spring conference. We can add to agenda. Maybe over lunch. Will discuss 15 min of results.
9. Legislative Committee	Robyn Wolverton Jen Landis	Jen shared screen. STB CO HB 23-123. Colorado STB website slides. www.StoptheBleedCO.org Look at tabs across top. For Schools, and fill out request form. Functioning great. Schools referred to site. Current state of program – funding approved through 2026!! 409 schools, 154 more since last report. 673 kits distributed. Funds spent and funds remaining. See slides. See heat map for areas where no schools have requested. Map is 3 week lag. Lots of school districts have trained school staff. Survey monkey responses regarding Legislative committee. See slides. PEER review protections at risk of November. More details, Next ,Monday May 6 if anyone wants on the committee and current email Jennifer to get current roster and interested members.
10. Awards Committee	Jodi Kramer Steve Clayton	Award winners to be announced at Spring conference May 10 . Thank you for all nominations and committee members. Send updated certifications (change my email)
11. Round table	Group	Please join STC at 1300. QRS code for spring conference will be sent.

		Stepping ON license. 3 master trainers will handle. CTN still discussing additional funding. CREATE funds.
Additional Instructions:	Email Steve Clayton for CTN Secretary questions or concerns: Stephen.Clayton@Healthonecares.com	

Wednesday April 10, 2024, 12:00 - 12:55.

CO Legislative Initiatives:

DEFEND AGAINST THREATS TO PEER REVIEW AND MALPRACTICE LIABILITY

Ballot initiatives that will be harmful to CO healthcare

Medical malpractice liability

- Could eliminate noneconomic medical malpractice caps in CO
- Limit access to care in rural CO
- Increase costs of higher insurance premiums
- Limit specialty care in CO

PEER review confidentiality protections

- Could end confidentiality around all patient safety including PEER review, and event reporting systems in Quality management in CO

YES on Senate Bill 130

NO on initiative # 150, # 274,# 275,# 276, and # 277
