|  |  | <p>a screenshot to the email on the website when you register for a kit. Include number of students. (email on slides). Fully funded through 2026!! \$450K to spend, \$150 annually. January report details. Slide with # details. Please have people fill out by schools, not school district. On first slide 460 lines filled out, multiple schools in 1. So the 460 originally, was lower. 476 accurate # schools. Important to have school, and only 1 request. We sent to dept of education. Will send out again. See Map RETAC. Very few in SE Colo RETAC's. Will RETAC's know who has submitted? Robyn can make a list of school. Will work on list of schools before next meeting, maybe before school starts. 1 person 1 school. Get into SRO or school nurses so they can then train more people at schools. How can we get involved with schools? IP committee page, we can go in and sign up. Discussion about contacting RETAC people. CDPHE gets requests. List on IP list. Only did 25%, 1947 schools eligible. ACS STB program. We have to register through that ACS website to teach. Next steps slide. Remind schools they must come to CDPHE for the kit.</p> <p>Committee, last year worked with trial lawyers and protected PEER reviews. If anyone interested in fast paced legislative events. The committee needs people, sometimes, it moves fast, sometimes days.</p> |
