New Colorado Trauma Network Workgroup Proposal: Legislative Workgroup

Proposed by:

Jennifer Landis, BSN, RN, TCRN, EMT-P

Robbie Dumond, BSN, RN, TCRN, AEMT

Rochelle Armola MSN, RN, CCRN, TCRN

Workgroup Name:

- ▶ CTN Legislative Workgroup

Purpose:

- ▶ Serve as a media for the communication of activities at the national, state and local levels.
- ▶ Educate Trauma Program members, other Colorado organizations, and elected officials of the need for legislation that supports improved access to resources for continued quality trauma care for all patients.
- ▶ Promote community and elected officials' awareness of issues related to trauma.

Purpose:

- ▶ Serve as a media for the communication of activities at the national, state and local levels.
- ▶ Educate Trauma Program members, other Colorado organizations, and elected officials of the need for legislation that supports improved access to resources for continued quality trauma care for all patients.
- ▶ Promote community and elected officials' awareness of issues related to trauma.

Rationale:

- ▶ Need for more legislative awareness and support of trauma care and trauma systems from state and local levels.
- ▶ Need for improved education and awareness of legislative actions among Trauma Program members that impact trauma care within Colorado.

Time Frame:

- ▶ Workgroup chairperson, and if deemed necessary the co-chairperson, will be appointed per CTN bylaws.
- ▶ Committee to begin 3rd quarter 2019.

Tasks/Timeline/Deliverables:

- ▶ Develop and provide legislative resources for Trauma Program members to utilize within their own regions.
- ▶ Promote a culture of empowerment among Trauma Program members to participate in changes at the legislative level.
- ▶ Keep minutes of all discussions during meetings.
- ▶ Meet monthly to discuss legislative updates from various organizations and plan of action within Colorado Trauma Network.
- ▶ Organize Colorado Trauma Network to participate in Colorado Healthcare Day at the Capitol annually.
- ▶ Update Colorado Trauma Network website with meeting minutes, legislative changes, and calls to action.

Communication/Sharing of results:

- ▶ Will report discussions and updates at quarterly Colorado Trauma Network meetings.
- ▶ Will report out at Bi-annual Colorado Trauma Network Conferences.
- ▶ Meeting minutes will be posted per Colorado Trauma Network bylaws.

Resources:

- ▶ Support of workgroups legislative goals with executive board input
- ▶ Access to Colorado Trauma Network website to share meeting minutes and legislative updates.

Resources:

- ▶ Support of workgroups legislative goals with executive board input
- ▶ Access to Colorado Trauma Network website to share meeting minutes and legislative updates.

Workgroup Membership:

- ▶ Any paid member of Colorado Trauma Network may be a member of CTN Legislative workgroup.

Non-CTN Members:

- ▶ Non-members may participate in Legislative activities organized by the CTN Legislative workgroup in a supportive role.
- ▶ Non-members may not vote on Legislative workgroup decisions, but may provide input.
- ▶ Non-members must be approved by CTN members and must support efforts made by CTN Legislative workgroup.

Scooter Codes

- CTN – Winter Conference request for unified code to support research on the implementation of the scooters in urban areas
- Electric powered
- Now regulated and required to follow all traffic laws like bicycles
- Fort Collins is about to approve implementation
- Registry staff discussion and American Trauma Society Webinar conclude:

Everyone on the same page

V00.18

Accident on other rolling-type pedestrian conveyance

V00.181

Falling from other rolling-type pedestrian conveyance

V00.182

Pedestrian on other rolling-type pedestrian conveyance colliding with stationary object

V00.188

Other accident on other rolling-type pedestrian conveyance

Other codes-and why not to choose them

V00.83
V00.832
V00.838

Accident with
motorized
mobility
scooter

The word “mobility” has specific meaning as for the type of scooter that is being used at the time of the injury

V00.89
V00.892
V00.898

Accident on
other
pedestrian
conveyance

This code is more general than the previously mentioned V00.18 as it removes the word “rolling” from the injury mechanism

Other codes-and why not to choose them

V87.8

other specified
noncollision
transport
accidents
involving motor
vehicle (traffic)

Question whether the event
involved a collision or not?

V00.141

V00.142

V00.148

V00.381

V00.382

V00.388

Other scooter
(nonmotorized)

Other flat-
bottom
pedestrian
conveyance

Negates the power of the
motor

Additional Updates

Last Meeting: 2/2019

Working on Spring Conference contribution

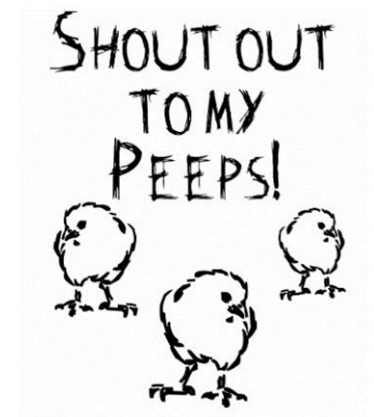

- Likely will be a quiz format again so watch your email!

Email stephanie.vega@uchealth.org if you are interested in joining!

Congratulations to all
the Colorado presenters
at STN.

16 of the 49 posters
were from Colorado!!!!

CAISS Certification

Congratulations to everyone
who just received CAISS!
