Introductions					
	Injury Prevention Coordinators Course	Angela contacted Wendy from CTN and had her email information about the course to all members. Laurie sent an email to all IP contacts in the state and had CDPHE advertise in the EMTS to go newsletter. Happy Hour at course – Lauren will look into venues close to the course where we could organize a happy hour for attendees. We will get a head count closer to the course and contact participants for interest.	Angela will advertise the course at the next SEMTAC meeting and have Kate send it out with the minutes, and Laurie will have them run another advertisement in EMTS to go. Lauren will research venues.	Angela Laurie Lauren	
	SLACK	We would like to get everyone using this as a communication tool. It was suggested that each person take a month and is responsible for posting that month.	Angela will send out a schedule.	Angela	
	Resource Guide	We will create a resource guide which provides an overview of current programs being implemented. Each person will write up a brief paragraph about their designated program and contact information. Laurie will send out a schedule to everyone. Will have a draft to review by the next meeting. This guide will be posted on the CTN website and referenced on SLACK.	Laurie will send out a schedule. Members will write their paragraphs and send to Laurie.	All	
CTN Website	CTN Website	Angela and Laurie will work with CTN to update Injury Prevention page on website.		Angela Laurie	
Open Forum	E scooters	Discussion on E scooters and if anyone addressing them. Currently no one (present at meeting) is as those injuries aren't being seen in the ED frequently. Ft. Collins introducing E scooters in Fall but are keeping it to one company and can shut them off at 9:00 p.m. if needed. There is a statewide registry code that is being used for E scooters. It is V00.18
