Agenda Category	Topic/Report	Discussion	Action to Take	Responsible / Date for Follow Up	Loop Closed?
Introductions					
Minutes approval					
Business items	Trauma Survivors Network	Maggie Savely, Trauma Coordinator at Denver Health presented information about the TSN. Tai Grandinetti was also on the phone to share information about TSN. TSN is a national organization that provides resources for Trauma Survivors. There are only a few hospitals in Denver who are members of this program. Hospitals have to pay to be a member, which hinders our smaller hospitals from participating. The goal of connecting TSN with the IP-Subcommittee and CTN would be to collaborate throughout the state to provide resources for everyone. The committee agreed that it would be good to open the TSN to other professionals that are not specific to Injury Prevention but still work with the TSN.	The committee agreed that it would be good to open the TSN to other professionals that are not specific to Injury Prevention but still work with the TSN. Until the TSN workgroup gets up and running, we will tag it onto our IP Sub-Committee meetings and extend invitations to those who wish to participate in just the TSN portion of the meeting. The TSN meeting will go from 1030-1130, followed by the CTN IP Sub-Committee from 1130-1300 as usual. Maggie has agreed to chair the TSN Committee and Tai will co-chair. Maggie will present on this at the next CTN Meeting	Maggie to present at April CTN Meeting and TSN Workgroup will start up on March 12 <sup>th</sup>	
	Resource guide/tips	The Resource Guide is officially up and running on the CTN Website (cotrauma.org) under the Injury Prevention tab. You can click on the titles on the guide and it will guide you to that portion within the document. We are discussing adding a link to a google document that injury prevention professionals can fill out updates on new programs being implemented.	Laurie L will get a list of injury prevention professionals from Kate at CDPHE. Kate will be placing a link to the CTN Website onto the minutes of the EMTS IP Meeting that took place 1/8/2020.	Laurie/Kate by the next IP Sub-Committee Meeting in March	
	SLACK	We need to utilize Slack more but have run into restrictions with usage. We will continue to utilize Slack for the			All/Year-end 2020

		remainder of the year and evaluate at the end of the year if it is beneficial for continued use.			
<b>IP activities update</b>	<p>Stop the Bleed</p> <p>Stepping On Safe Kids</p> <p>Other?</p> <p>Matter of Balance</p> <p>Injury Prevention Symposiums</p>	<p>Angela and Lori shared that STB was presented for Drive Smart High School Traffic Safety Challenge in Colorado Springs. This was a collaborative effort with Centura Health, UC Health and AMR. We reached about a half dozen high schools and almost 200 high school students were trained</p> <p>Tri County is doing a training for Matter of Balance at the end of January</p> <p>.</p> <p>The next Injury Preventions Symposium is in Savannah, GA the first week of May. Bloomberg School of Public Health's Summer Institute has an advanced IP class held at John Hopkins in Baltimore on June 8<sup>th</sup> and 9<sup>th</sup>. If you enroll as a noncredit student it is ½ the price. There is also scholarship money available. It is 50% lecture and 50% interactive. It looks at things from a Public Health model. It is being held the same time as the Rocky Mountain Conference in Beaver Creek.</p>	Darcie will post on Slack		yes
<b>CTN Website</b>		Is there anything else we need to add to our page?	<p>Links with google docs for:</p> <ul style="list-style-type: none"> <li>- New IP Professionals</li> <li>- Resource Guide Updates</li> </ul>		
<b>Open Forum</b>	New IP Professionals	We discussed new Injury Prevention professionals and how we can be a resource to them. Discussed putting together a helpful hints tip sheet that provides resources, links, etc. How can we get info out there? We discussed putting a link on the CTN IP page with a link to a google doc that would allow a new IP Professional to fill out their demographics, trauma center level, time devoted to IP, etc. This document will be forwarded to Angela and Laurie who will forward the information to an individual from our Sub-Committee that is closest to that person so they can then provide support, information and serve as a mentor to the new IP Professional	Darcie will create the google document and Laurie/Angela will provide Chris with a link he can post on our IP Webpage with the document. We will get the word out by having Kate with CDPHE send out the link to everyone within her network.		

	<p>Lori Morgan Update</p> <p>Gun Violence</p>	<p>Lori updated the committee that Jason Martin from Swedish has taken the role of Trauma Program Manager for Outreach at UC Health and will be her direct supervisor</p> <p>Larimer County law enforcement agencies got together to focus on juvenile violence led by the DA's office. Information can be found on Slack for review. Gun locks and safe storage are important. Many guns are stolen out of vehicles. In Denver, the DA office is taking a focus on gun locks and education on guns in cars. 100% increase in gun violence in youth in Denver. DH bought 500 gun locks to distribute. Reach out to local law enforcement about gun locks if needed. DH is currently working on a program to have their providers help with screening to have conversations with the patient regarding guns and the possible needs for a gun lock. More to come on this topic.</p>		<p>yes</p>
<p><b>Next Meeting</b></p>	<p>March 12, 2020          10:30-11:30 TSN          11:30am-1:00pm IP          Location: Lutheran Medical Center</p> <p>8300 W. 38<sup>th</sup> Ave,          Wheat Ridge, CO          80033</p>		<p>Jasmine will update us with the conference room and call-in number for this meeting</p>	
<p><b>Adjournment</b></p>
