

CTN Injury Prevention Subcommittee
Date: 5/14/2020 Time: 11:30am
Location: Zoom Meeting
Duration: 1.5 hours

AGENDA					
Agenda Category	Topic/Report	Discussion	Action to Take	Responsible / Date for Follow Up	Loop Closed?
Introductions					
Minutes approval					
Business items	<p>Injury Prevention Website</p> <p>Injury Prevention Personnel Contact List</p> <p>Discussion on current programming due to COVID 19</p>	<p>Updates had been made to the webpage including meeting minutes and a link to the Google form for new Injury Prevention personnel. Group reviewed the site and will send any recommendations to Laurie</p> <p>Reviewed list and made updates</p> <p>Amanda ran a virtual car seat overview class for parents which was successful. She is looking to do more of these. Melanie had a call with Impact Teen Drivers. They have created online webinars for students and are doing an online Train the Trainers on May 29th. They have also created an online stand-alone module for students on distracted driving. Contact Layne Pachl at Impact Teen Drivers for more information. Here email is colorado@impactteendrivers.org. Darcie mentioned the Think First program and asked if anyone was interested in sharing a membership. Lori discussed her experience with the program in the past. Lauren said her RETAC has a membership and if anyone was interested she could check into linking them with resources. Lori and Amanda are taking part in a virtual health fair through the YMCA where they will showcase various injury prevention messages. Laurie shared that she and her P.A.R.T.Y. coordinators are developing online lessons for the program that will be implemented in the Fall. Laurie, Alison</p>	<p>Review webpage and send recommendations to Laurie.</p> <p>Laurie will send an email to all injury prevention personnel with a link to the CTN webpage and the resource guide</p> <p>Lori and Amanda will update the group on how successful they felt the virtual health fair was</p>		

	Next steps for Sub-Committee	<p>and Lori are discussing ways to do older adult falls prevention online.</p> <p>Due to our current environment there was discussion about creating various injury prevention videos that could be shown on a You Tube channel. It was suggested that a You Tube channel through CTN would work the best. There was also a discussion about doing an injury prevention podcast. Darcie mentioned it would be helpful to create a Google Doc where committee members would share how they are doing things or ideas about holding programs virtually. Or if they hear about different programs that can be done virtually. Lori mentioned the Central Ohio Primary Care website has some good older adults falls prevention information and videos.</p>	<p>Melanie will look into how to create a channel. Laurie will contact CTN about hosting a channel.</p> <p>Laurie will create the Google Doc and share with committee members</p>		
IP activities update	<p>Stop the Bleed</p> <p>Stepping On Safe Kids Other?</p> <p>Matter of Balance</p> <p>Injury Prevention Symposiums</p>	<p>Laurie contacted WIHA about Stepping On options virtually. They are not providing that option at this time and have not given permission to do Stepping On virtually.</p>			
CTN Website		Discussion captured above			

	<p>New IP Professionals</p> <p>Lori Morgan Update</p> <p>Gun Violence</p>	<p>We discussed new Injury Prevention professionals and how we can be a resource to them. Discussed putting together a helpful hints tip sheet that provides resources, links, etc. How can we get info out there? We discussed putting a link on the CTN IP page with a link to a google doc that would allow a new IP Professional to fill out their demographics, trauma center level, time devoted to IP, etc. This document will be forwarded to Angela and Laurie who will forward the information to an individual from our Sub-Committee that is closest to that person so they can then provide support, information and serve as a mentor to the new IP Professional</p> <p>Lori updated the committee that Jason Martin from Swedish has taken the role of Trauma Program Manager for Outreach at UC Health and will be her direct supervisor</p> <p>Larimer County law enforcement agencies got together to focus on juvenile violence led by the DA's office. Information can be found on Slack for review. Gun locks and safe storage are important. Many guns are stolen out of vehicles. In Denver, the DA office is taking a focus on gun locks and education on guns in cars. 100% increase in gun violence in youth in Denver. DH bought 500 gun locks to distribute. Reach out to local law enforcement about gun locks if needed. DH is currently working on a program to have their providers help with screening to have conversations with the patient regarding guns and the possible needs for a gun lock. More to come on this topic.</p>	<p>Darcie will create the google document and Laurie/Angela will provide Chris with a link he can post on our IP Webpage with the document. We will get the word out by having Kate with CDPHE send out the link to everyone within her network.</p>		<p>yes</p>
<p>Next Meeting</p>	<p>March 12, 2020 10:30-11:30 TSN 11:30am-1:00pm IP Location: Lutheran Medical Center</p> <p>8300 W. 38th Ave, Wheat Ridge, CO 80033</p>		<p>Jasmine will update us with the conference room and call-in number for this meeting</p>		
<p>Adjournment</p>
