Business items	Injury Prevention Newsletter for Older Adults	<p>As a result of COVID 19 and the halt of in person older adult programming, the group had decided to create a newsletter on falls prevention for older adults. The committee reviewed a draft of the initial newsletter and provided feedback. Laurie will send the draft in an email for additional comments. The draft was also sent to a sample of older adults for their feedback which will be incorporated into the final copy.</p> <p>Discussion occurred on the regularity of the newsletter and it was decided that quarterly would work the best so we could incorporate seasonal information. Committee members will send the newsletter to their contacts in the community. Committee members will put their own contact information on the newsletter and solicit feedback on this initial version to see how it's received.</p> <p>A schedule of the dates and who is completing each newsletter was discussed. The schedule is as follows:</p> <p>September – Lauren and Laurie January – Alison and Jasmine April – Marilyn and Brandi July – Melanie and Robert</p>	Laurie will email draft newsletter to committee for feedback
