

		<ul style="list-style-type: none"> <li>- Centura- Stop the Bleed classes are starting up again. They will also be setting up a Fall Prevention Webinar Series that will begin in October.</li> <li>- UC Health (Laurie Lovedale)- Resources for teenagers about graduated drivers' licenses, and safe driving. This includes a parent component. Hopeful to get this out to Primary Care Providers in each community and encourage them to have these conversations with teens. They have created online modules for their Party Program. They are also doing the fall prevention program.</li> <li>- Marilyn- Welte County Drive Smart has been putting everything virtually. They are working with RETAC to get it out to rural communities. She has been doing fall prevention programming through their wellness program to get resources out. They have started Stop the Bleed.</li> <li>- Lauren- Her and Jasmine did a virtual STB class and then did a hands-on portion for the skills. Working on resource referrals for Primary Care clinics for fall prevention. There was word of Matter of Balance possibly moving to a virtual option. Trauma Conference will be done virtually this coming year.</li> <li>- Robert- St. Anthony Trauma Symposium will be held virtually. Working on a Crash Scene Safety Research Project, dealing with bicycle and motorcycle crash scenes. (STB, how to remove a helmet, how to manage a scene until first responders arrive). Centura has a few ATLS Courses coming up.</li> <li>- If we could all start up a research proposal on our own evidence-based fall prevention programming, what an impact we can make in the state if we are all teaching the same thing. We must have buy-in from someone in the state. It would be great to create a program to meet the needs of our state.</li> <li>- Amanda- virtual safety presentations with some community partners. Starting with 3<sup>rd</sup> grade on bike helmet safety. Hoping to expand to other topics and grades in the near future to help support teachers. She has a couple of car seat events coming up in September at the Southeast YMCA.</li> <li>- Darcie- partnered with Parks and Rec to hand out helmets and gun locks. She is still 100% on COVID response.</li> <li>- Alison- Doing bike-to-anywhere day. They are handing out helmets to UCHealth employees and families. Teaching outdoor Tai Chi, car seat classes, and working</li> </ul>
