Good Afternoon HR Mullica,

We'd like to thank you so much for spending time with us on August 14 th to discuss Emergency Nursing concerns and the Stop the Bleed Initiative. We really appreciate the amount of time you generously shared with us.

Robyn and I wanted to connect further with you regarding *Stop the Bleed*. In our August conversation, you embraced the idea of supporting *Stop the Bleed* training in schools. You had also suggested that there may be some alternative funding opportunities to purchase the *Stop the Bleed* kits. We are hoping to reach out to those resources and secure funding so you can introduce our plan to legislation in bringing this life-saving initiative into Colorado Communities.

We look forward to discussing this with you further and your sponsorship for a Stop the Bleed training at the Capitol.
