Business items	<p>Bicycle Colorado</p> <p>Falls prevention discussion</p>	<p>Mo McCanna gave an overview of Bicycle Colorado’s mission and goals, programs, and potential options for collaboration. Their educational programs are: Learn to Ride, Bicycle Friendly Driver, Confident Commuting, Safe Routes to School, Bike Rodeos and Group Rides. Some potential ways to collaborate would be to promote programs, co-host programs, helmet giveaways, All Kids Bike program, sponsorships, Ciclovia (Denver), and webinars. Bicycle Colorado also gets involved in policy and advocacy. If anyone is interested in an action alert please contact Mo to get on the list. We can work together on consistent messaging as experts play a major role in helping shift culture.</p> <p>Each member gave an overview of the program(s) they listed on the Google form. Lori discussed the Next 50 initiative they are doing in Teller and El Paso County. They have reached 27 people so far who have seen vast improvement in 4 weeks. Jasmine discussed Reimagine Fall Prevention – Photo voice assessments using a camera to determine everyday fall risks. She also suggested starting another statewide falls coalition or workgroup. Lauren discussed DRCOG paying for 5,000 people to use Nymb1 for a year in 8 counties and that they hope to continue funding this program. Laurie mentioned the Mobile Falls Prevention Clinic through Fraser Health in Canada and the Collaborative falls prevention model that was highlighted at the injury prevention professional’s symposium. Grace discussed assessing the need for falls prevention in her area and looking at available resources.</p>			

		Melanie discussed creating our own falls prevention program and stressed the need for a statewide coalition or workgroup. To continue the discussion, Melanie will create a survey to gauge where the group is at. For now, we will break our meetings in half to discuss general IP items the first half and moving forward with falls prevention efforts the 2 nd half.
